In today's world, I probably would like to work with someone like Gaga.

~Nile Rodgers

What do great artists do when you see a world around you that's in turmoil? Some of the best artists make you feel good (hah), they look to the future.

~Nile Rodgers

If something is worth doing, it's worth overdoing.

~Nile Rodgers

After waiting four long years since the Lost CHIC Tapes were recovered, I'm finally putting out our first record. I'm like a child waiting for Christmas morning.

~Nile Rodgers

I think the hardest thing to overcome is judging yourself and being your own worst critic so to speak.

~Nile Rodgers

Art, well good art at least, takes you to a place you go during the experience of it, and then after you experience it you are different.

~Nile Rodgers

Bands always call me when they are in need of a boost and I come in and put them back on top.

~Nile Rodgers

It feels like my job is to support people. I support great artists. When I worked with a symphony, I sat in the third chair, not the first chair.

~Nile Rodgers

Art is something that opens up and enhances your emotions and that's what I like to think I'm doing.

~Nile Rodgers

You can't be afraid until you have no other option but to be afraid.

~Nile Rodgers

Any real record person knows that the number one most powerful marketing tool when it comes to music is repetition.

~Nile Rodgers

I really do love pop. I understand songwriting, I understand the business, and I'm not stuck in any one particular time period.

~Nile Rodgers

If I could live in one city and do every single thing I do there, I would choose Venice. You can't turn your head without seeing something amazing.

~Nile Rodgers

I've had insomnia since I was five years old. I just don't require much sleep. I'm never tired.

~Nile Rodgers

You can fool a person into going to see a movie with a good trailer.

~Nile Rodgers

Artists don't come much cooler and well rounded than Lady Gaga. Love and respect.

~Nile Rodgers

Trust me, the only real way to understand 'Chic' is in highfalutin terms. Our chord progressions were based on European modal melodies. I made those early 'Chic' records to impress my jazz friends.

~Nile Rodgers

I would play hooky from school and spend all day in the movie theaters. Consequently, I learned satire in all its subtle forms.
