

Nina Blackwood Quotes

*People, Video, Games, Radio, Mtv, Little, Rocks, Interviews, Spinal Tap, Real,
Guests, Stories, Rock N Roll, Blonde, Musical, Journey, Grew Up, Passion,
Heyday, Two*

I am like the little rock n' roll backseat driver.

~Nina Blackwood

When I worked for Entertainment Tonight I got to emcee Paul McCartney's press conference.

~Nina Blackwood

Because I was the blonde, I was promoted as the video vixen.

~Nina Blackwood

People that really know me will tell you that I am not a video vixen.

~Nina Blackwood

I am a curious person and, believe it or not, I really do like to sit back and listen to people's stories.

~Nina Blackwood

I get real excited when I hear my shows on the radio.

~Nina Blackwood

The hardest and worst interview that I have ever done was with Frank Zappa.

~Nina Blackwood

I worked with three people who were doing video music shows before MTV.

~Nina Blackwood

The heyday of video music was the mid 80's.

~Nina Blackwood

I could not do the film Spinal Tap because I was already at MTV and it was occupying all my time.

~Nina Blackwood

I was in the pilot for Spinal Tap before it was a movie.

~Nina Blackwood

I grew up in Ohio, and I was a musicologist since I was little; it is all that I would ever read.

~Nina Blackwood

Christopher Guest movies are my top of the line favorites.

~Nina Blackwood

A regret I have was never being able to interview George Harrison. I just loved him but I never had a chance to interview him.

~Nina Blackwood

My reading is always about musical biographies. I have an innate interest and passion for that.

~Nina Blackwood

Interviewing people is pretty natural for me.

~Nina Blackwood

When you are young your imagination is so clear.

~Nina Blackwood

Now that the 90's are over and more time has gone by, the 80's sound fresh again.

~Nina Blackwood

We put all these things together into a tangible product that is The Rock N' Roll Mystery Tour.

~Nina Blackwood

I have two syndicated radio shows though United Stations Radio Network.

~Nina Blackwood

First of all, you needed a budget to do the video. The record companies would pick and choose who got videos.
