Let's not forget how beautiful simply washing dishes can be.

~Noah Hawley

In a book you can really talk about ideas and themes and characters in a deeper way than you can even on the screen.

~Noah Hawley

Some roads you shouldn't go down. Because maps used to say there were dragons here. Now they don't. But that don't mean the dragons aren't there.

~Noah Hawley

There's still nothing like a book to really make you feel like you've disappeared into a world.

~Noah Hawley

There's only one note you ever get in broadcast and that's clarity.

~Noah Hawley

If I have to write on an airplane or get up early to write or write late, you just gotta sit down. When you have the time, you have to be able to do it.

~Noah Hawley

It's good to be unexpected with it.

~Noah Hawley

My feeling has always been if you entertain people, they give you permission to do more on a thematic or character level.

~Noah Hawley

In the TV business, you've got to write fast, and someone will tell you, "Can you rewrite this episode before... 6 p.m.?" So that's when you rewrite it. You can't wait for the muse to show up.
