I realize that if I were in that situation - living a hard life with people telling them they're not worthy of love - maybe I would be that strong and that brave.

~Nomi Ruiz

People expect us to be a straight up dance band but there are many more elements to our sound that you really get to see during our live show and hear on our record 'See The Light.'

~Nomi Ruiz

I really got to fuse some of my hip hop & R&B background into the Jessica 6 album since I was really hands on with Morgan & Andrew while writing and producing the record.

~Nomi Ruiz

The Fun Girl video which was directed by Bijoux Altamarino really came out of her vision. I feel she understood the mystery, danger and power of the song and It really came through in the end.
