I was a punk rocker when I was a teenager. I wanted to look like Nancy Spungen. I had dyed blonde hair and lots of piercings.

~Noomi Rapace

I'm interested in people's darker side, the ones that aren't easy and well balanced. The cracks.

~Noomi Rapace

If I don't see myself as a victim, then I'm not a victim.

~Noomi Rapace

My husband, when I was filming the Millennium movies, he asked me, 'How far are you going and when are you coming back?'

~Noomi Rapace

I grew up watching American movies. My favorite movies have always been American, since as long as I can remember. I always had this huge respect for American filmmakers and American actors.

~Noomi Rapace

I always had this huge respect for American filmmakers and American actors. I always had this very strong love and respect for the American cinema. I always knew that I was going to leave Sweden.

~Noomi Rapace

I'm obsessed with the human psyche. I want to understand. I want to ask myself if I have it inside me.

~Noomi Rapace

I think it's always the emotional situations that are more tricky to nail and get into because I don't want to pretend.

~Noomi Rapace

I hate when you see a film and after one scene you know what's going

to happen and you can predict the whole story.

~Noomi Rapace

I think Stieg Larsson was pretty brave. He wanted to bring up things that we don't like to talk about, or like to ignore.

~Noomi Rapace

I always felt like I was on the move, that I was going towards something.

~Noomi Rapace

When I don't understand things, I become passionate to understand.

~Noomi Rapace

I'd much rather work with people that are tricky and difficult than people that just say yes to everything.

~Noomi Rapace

For me, artists and people that are passionate are fighting for what they believe in and what they want, and that's always appealing. I find that really interesting.

~Noomi Rapace

I think most gypsies all over the world are used to being not really welcome and always on the run, expecting people to not like them and to be critical.

~Noomi Rapace

In Sweden everybody has this perfect surface. Everyone's very polite and controls their feelings.

~Noomi Rapace

I don't have this crazy dream about going to Hollywood, because I really love to watch movies and do movies that are complicated, and I

want more strange things and complicated things.

~Noomi Rapace

I want to explore more sides of humanity and myself. That's what acting is about.

~Noomi Rapace

I've always been very stubborn, had a very clear will of what I want to do.

~Noomi Rapace

Weirdly enough, I don't like to pretend. I try to use things in me, and translate them into the situation and the characters, so it always needs to run through my own veins.

~Noomi Rapace

I can't see any value in being a celebrity, famous for being famous.

~Noomi Rapace

It's better to not be afraid of things and not avoid things.

~Noomi Rapace

I like doing fight scenes. I always have, and I insist on doing as much of that action as they'll let me do. I think that's easy for me.

~Noomi Rapace

We need more extreme movies in Sweden. Personal projects that are necessarily made for a bigger audience. I think it creates a creative lock-up to have the audience as a goal.

~Noomi Rapace

I can come up sometimes with ideas for scenes that I'm not in, to make it better or add something. It's not about me, or my ego, that I wanna show this or that.

~Noomi Rapace

I'm never satisfied. I can always find things that I can do better and go further on, so I force myself to accept when someone says, "We have it, it's good and we can move on."

~Noomi Rapace

I think that I'm very passionate, and I know that if I decide to do a film, my character is going to take over my life.

~Noomi Rapace

I always push myself, even when I did a film where it was pretty much me the whole film.
