*Government, Years, Airbus, United States, Fishing, Past, Competition,  
Forgiveness, Agency, Jobs, Towns, Certain, Order, Salmon, Design, Running,  
Appreciate, Important, Environmental, Military*

In 2003, the value of Airbuss orders was more than twice as much as Boeings.

~Norm Dicks

This funding from the National Endowment for the Arts has been like the Good Housekeeping seal of approval.

~Norm Dicks

The Endangered Species Act is the strongest and most effective tool we have to repair the environmental harm that is causing a species to decline.

~Norm Dicks

Over 30 years ago, Airbus was founded by a European consortium of French, German, and later Spanish and British companies to compete in the large commercial aircraft industry with U.S. companies.

~Norm Dicks

Last year, Congress gave the Department of Defense the authority to design a new civilian personnel system for its employees as part of the defense authorization bill.

~Norm Dicks

Overtime, hatchery fish tend to show signs of domestication and these traits adapted to the hatchery environment can make it more difficult to survive in the wild.

~Norm Dicks

We are also working on the restoration of salmon runs, and we are doing a new process of mass marking with these fish so we can tell the wild fish from the hatchery fish.

~Norm Dicks

More than 60,000 jobs have been lost in the commercial aviation

industry in the United States since 1999.

~Norm Dicks

During the past 30 years, European governments have provided more than \$15 billion in the form of low- and no-cost loans to Airbus for the specific purpose of developing new aircraft lines.

~Norm Dicks

We must be certain that the repair to the environment is sufficient to allow wild species to recover and survive.

~Norm Dicks

The Smithsonian Institute is one of the most popular agencies of government in the United States.

~Norm Dicks

I remember those great days when we were at \$176 million before the Reagan Revolution came to town.

~Norm Dicks
