Friend, Contentment, Exercise, Equestrian, Feelings, Quality, Doe, Praise, Hard
Work, Forget, Aspirin*

A horse will never tire of a rider who possesses both tact and sensitivity because he will never be pushed beyond his possibilities.

~Nuno Oliveira

Ask often, be content of little, reward always.

~Nuno Oliveira

I don't want riders who work physically hard. Work by thinking.

~Nuno Oliveira

Shoulder-in is the aspirin of horseback riding - it cures everything.

~Nuno Oliveira

The secret in riding is to do few things right. The more one does, the less one succeeds. The less one does, the more one succeeds.

~Nuno Oliveira

Equestrian art is the perfect understanding and harmony between horse and rider.

~Nuno Oliveira

The secret in riding is to do only a few things but to do them right

~Nuno Oliveira

Training a horse is above all feeling and trying, according to what you feel, to help the horse and not to force him.

~Nuno Oliveira

The hands have to be like concrete when the horse resists and like butter when he yields.

~Nuno Oliveira

Every time the rider forgets to regulate the cadence, the horse begins to take control.

~Nuno Oliveira

Don't lose sight of the fact that hip and legs drive the horse forward and the hands merely channel this power by gentle rein aids.

~Nuno Oliveira

When the rider demands the piaffe, he has to halt the horse a few strides before the latter wants to stop of his own accord.

~Nuno Oliveira

It is a mistake to keep the horse on the bit for too long. He must be relaxed at the walk on the long rein regularly and afterwards he must be carefully put back together again.

~Nuno Oliveira

Make it a habit to praise the horse when the horse yields.

~Nuno Oliveira

In the calmness of the walk, horse and rider can find the time to think and to prepare the quality of the following trot and canter.

~Nuno Oliveira

Every rein aid must be preceded by an action of the torso. Otherwise you only address the horse's head.

~Nuno Oliveira
