I'm Cuban, so I like a bit of curve. I just want my booty to have a little lift!

~Odette Annable

I think I'm pretty fearless. I like to try things at least once, things that I never thought that I would try.

~Odette Annable

If you ever were bullied, you always remember that feeling.

~Odette Annable

Im obsessed with socks. I even wear them to bed!

~Odette Annable

I can't even be around children. It's a problem. My ovaries start screaming.

~Odette Annable

I do think that everybody deserves a second chance.

~Odette Annable

I think everyone should live in New York City if they ever get the chance at least once in their life. It's such a great place to live; there's a different energy about living in the city.

~Odette Annable

I have some girls who I look back on and I think, 'Wow, they were really horrible to me.' I would love an apology from a few girls, but whatever. I'm not holding any grudges. I'm over it.

~Odette Annable

I'm Latin, for crying out loud - I can't hold anything back!

~Odette Annable

I have superfine, superoily hair, so my struggle is always trying to get the volume I want. I end up not doing much with it ever.

~Odette Annable

I had a great time in high school. I really did. I went to a private Christian high school and I graduated in a class of 67 kids, so it was pretty small, and I knew and loved everybody.

~Odette Annable

It's not easy to forgive. I definitely don't forget, but I do forgive and I think that you should.

~Odette Annable

I had always wanted to lend my voice to a character. I did a voice for this video game, called 'Fallout 3,' and that was really fun.

~Odette Annable

I just love scary movies. I love the thrill.

~Odette Annable

I learned Spanish at home and, since half my family doesn't speak English, it's my first language.

~Odette Annable

I'm kind of a crazy person about hand sanitizer. I carry the plain ones that smell like aloe, from Target or CVS.

~Odette Annable

I love all sorts of music. I'm really into Damian Rice and Amos Lee.
