I love boats. I can be on a boat for days.

~Olga Kurylenko

Music evokes so many feelings in us, memories, nostalgia, things that are connected to our past.

~Olga Kurylenko

I hate jealousy, I hate possessiveness. I'm nobody's possession.

~Olga Kurylenko

No matter how much you try to pretend and force yourself and maybe fight against love and try to forget or be oblivious to it, there's no way to fight it. I think when it's there, it's there.

~Olga Kurylenko

Being single is only sad if you have a problem with your own company. I'm content with mine.

~Olga Kurylenko

Having people I love around me - friends and family - is great, but I don't necessarily need a relationship.

~Olga Kurylenko

When I was a kid, we never had a videogame in my house. But my cousin did, and each time I went to her house I was able to play 'Tetris' and 'Mario.' Those were the only two games I played as a child.

~Olga Kurylenko

I love it when a man cooks; it's one of those points that makes me adore a guy. I think it's so romantic and I feel cared for when a man cooks.

~Olga Kurylenko

I'm a bit of a romantic. In theory!

~Olga Kurylenko

I like men who paint or write or do something creative.

~Olga Kurylenko

I maybe missed money in my childhood, but I didn't miss love, that's for sure. My dad wasn't there, but I can tell you not even once did I think I was missing something.

~Olga Kurylenko

Every one of us, no matter how damaged or abnormal or shut down, we're all looking for love. Every person needs love in this world, but our views on what love is vary enormously.

~Olga Kurylenko

I'd love to work with David Lynch. I'm such a big fan. He's a genius.

~Olga Kurylenko

Why marry? If you're not married, you just leave each other and it's cool. Who needs the paper? To me it means nothing.

~Olga Kurylenko

In Paris, everybody is in black! But you know, in Ukraine everyone wears bright colours.

~Olga Kurylenko

We were born and we die. In between, I think we try to live as best we can.

~Olga Kurylenko

To be a Bond girl you need courage, charm, determination and feistiness.

~Olga Kurylenko

When you love someone, you should see beyond their image.

~Olga Kurylenko

A lot of movies are made to make us dream.

~Olga Kurylenko

When you live in a small town in the Ukraine, you definitely want to go to Paris.

~Olga Kurylenko

I bring spiritual books with me while travelling. I like books about thoughts and how you see the world.

~Olga Kurylenko

I just went to an acting agency one day and just said, 'I would like to act. Would you take me?' And they took me.

~Olga Kurylenko

To tell you the truth, I don't really follow what men wear. Men's fashion is much simpler than women's. It doesn't change as much.

~Olga Kurylenko

I did not have a father. It was my mom who chose to be alone. She felt that she would be better off by herself with me after I was born.

~Olga Kurylenko

As an actor, you don't want to play a one-dimensional character.

~Olga Kurylenko

If I hadn't been a model, I couldn't have become a movie actress.

~Olga Kurylenko

Love and faith are both a search, a process, it doesn't stay the same; it comes and goes. In some people, it's asleep for a long time and then it

wakes up as it evolves.

~Olga Kurylenko

With modelling, you go somewhere for 24 hours and you don't even see the city, you don't talk to people or see the culture.

~Olga Kurylenko

With modelling, you provide an image that is fake; with acting you have to provide an image that's real.

~Olga Kurylenko

In television, there's no time. You can't walk around and get into the mood. Nobody is going to wait for you. They're like, "Let's go!," and I'm like, "Wait, I haven't gotten in the mood!"

~Olga Kurylenko

I've seen guys sit the whole day doing nothing, and I hate it when people are unproductive. I don't like a guy who sits on the couch all day.

~Olga Kurylenko

I don't see divorce as a failure. I see it as the end to a story. In a story, everything has an end and a beginning.

~Olga Kurylenko

I know how addictive videogames are - I have friends who can't get up off the couch because they're so hooked. They provide these different virtual worlds that you can live in.

~Olga Kurylenko
