Goalkeepers need an element of insanity.

~Oliver Kahn

We are Bayern Munich and English teams always have trouble as soon as they leave the island.

~Oliver Kahn

If we perform as a unit and if every single player gives it his very best, everything can happen.

~Oliver Kahn

I think Neuer changed the game of goalkeeping in the World Cup.

~Oliver Kahn

If I play, I try to concentrate on producing my best.

~Oliver Kahn

I am firmly convinced that you shouldn't necessarily emphasize hedonism, especially at the beginning of a career, but should instead focus entirely on performance.

~Oliver Kahn

It looked pretty wild, but I was actually in control of myself. I've never really injured anyone throughout my career.

~Oliver Kahn

Big matches on the big stage are often decided at the back.

~Oliver Kahn

I was so obsessed with football that you could say I was taking the goal home with me at night. And then one day the system fell apart.

~Oliver Kahn

A Germany team should not be afraid going into a tournament. History

shows that we can raise the level of our game when it matters.

~Oliver Kahn

I've never really seen myself in the role of the victim.

~Oliver Kahn

Complaining and arguing will not help. We are fully concentrating on the game against the Czechs.

~Oliver Kahn

After the 2006 World Cup, I knew that you don't always need success, success, success on the pitch.

~Oliver Kahn

Of course, success is a relative term. It can be something completely different from winning the German championship eight times or making millions.

~Oliver Kahn

After a decade in a club it's quite normal and necessary that you seek and take a new challenge.

~Oliver Kahn

When you look at our programme for the next few weeks, you do not fancy a trip to the Oktoberfest.

~Oliver Kahn

It's part of my game to occasionally send a message, one that may be unpopular to the outside world, but can be important for the team.

~Oliver Kahn

I'm not the type who spends his free time in training camp playing with his Playstation or playing cards on trips. The other players thought it was odd: There he is, reading again.

~Oliver Kahn

I want to successfully make the transition from a life in professional sports to another life, without running into major upheavals.
