I think life is about falling in love with the right person, shopping, eating our favorite desserts and traveling a lot.

~Olivia Palermo

I really get inspired by stylish girls around the world that I see on the street. Colors, patterns, throughout my travels, whatever catches my eye.

~Olivia Palermo

I've always had the mentality of: work hard, get to bed early, focus - and let your work speak for itself.

~Olivia Palermo

Fashion has always been in my life, thanks to my mother and my aunt growing up. I think as I became an adult, my style evolved, and my love of fashion evolved even more.

~Olivia Palermo

I love to mix colors. For me, I don't have a rule, like "you can't wear silver and gold." You can mix it.

~Olivia Palermo

We all enjoy being comfy, but my comfy - you know, I love a nice, cozy cashmere sweater and spandex, sure.

~Olivia Palermo

I get my inspiration from young stylish girls I see all over my travels.

~Olivia Palermo

It's always great to have two inspirations, one that has more of an editorial purpose and one for more of an everyday, wearable approach.

~Olivia Palermo

I'm a much nicer person, much more laid-back and relaxed, not serious

like they show me.

~Olivia Palermo

I always like to play with a lot of color. Color is great.

~Olivia Palermo

I may be a young girl, but behind every young girl is a powerful father.

~Olivia Palermo

I always have a vision when I go in, I always know what I want to do.

~Olivia Palermo

I love the mid-length skirt. That's really appropriate, you can wear that in many different day occasions.

~Olivia Palermo

I always have an idea in the back of my head, but that goes with anything else that I'm doing. There is a sort of vision behind it.

~Olivia Palermo

I definitely take inspiration from runway trends but also throughout my travels, I see editorials all over in all of the different publications.

~Olivia Palermo

I spend the first half of my day dealing with Europe because of the time difference. Then in the evening my website gets my undivided attention.

~Olivia Palermo

Growing up, I wanted to be a sports commentator. Then my aunt introduced me to the fashion industry, and everything sort of fell into place.

~Olivia Palermo

Sometimes belts are flattering, and it helps with proportions.

~Olivia Palermo

I kind of took inspiration from my time in Paris. That was kind of the real time when I discovered European fashion. It's stuck with me since University.

~Olivia Palermo

The time eras that I really like are more on '50s and '60s.

~Olivia Palermo

I love belts. My husband always jokes with me, because he always calls me out on my belts, he's always like, "Just belt it, like you always say."

~Olivia Palermo

Of course I love leather, and I love stingray. So combining the two and adding those gold elements - I always love a great gold accessory.
