Working gets in the way of living.

~Omar Sharif

I want to live every moment totally and intensely. Even when I'm giving an interview or talking to people, that's all that I'm thinking about.

~Omar Sharif

Women know when they've got the menopause but men don't quite know. They know it afterwards.

~Omar Sharif

Making love? It's a communion with a woman. The bed is the holy table. There I find passion -- and purification.

~Omar Sharif

I'm very wary about giving advice. I think it's very dangerous to give advice to people, except if you know them very well.

~Omar Sharif

I had too many big passions in life and it gets in the way of work. You can't concentrate properly on the one thing.

~Omar Sharif

My philosophy is that when I go out of my room, I'm prepared to love everybody I meet, unless they're bad.

~Omar Sharif

They chose me for Lawrence of Arabia because I spoke English, had black hair, black eyes and a moustache. It was all luck.

~Omar Sharif

I've always been extremely lucky in my life.

~Omar Sharif

For some men, nothing is Written unless they Write it.

~Omar Sharif

I can't say I gave up totally my passion for women but almost.

~Omar Sharif

I don't know what women are attracted to. I can't tell, but certainly I have no notion of having sex appeal or being seductive in any way.

~Omar Sharif

There are lots of wonderful old Italian actors. You don't need to take an Egyptian to play an Italian actor.

~Omar Sharif

I see only defects because I'm not following the scene as it were. I'm not following the other person. It's like the best thing to clarify this is the theater.

~Omar Sharif

This character in the film, these things that he says which sound like advice and wise things, they are very common for Orientals. It's all the tradition.

~Omar Sharif

I didn't want to be a slave to any passion anymore. I gave up card playing altogether, even bridge and gambling - more or less. It took me a few years to get out of it.

~Omar Sharif

I don't watch any films. Billy Elliot is the only film I've seen in the last 25 years. Oh, and ET. Both of which I loved!

~Omar Sharif

I love to be with my son and my grandchildren, like normal people. I

have no particular idea of what I represent to other people. It's very mysterious to me. I don't understand it.

~Omar Sharif

They didn't accept me theory - not a theory, but just a thought I had about this character. I noticed that this man only exists when the boy comes into the grocery.

~Omar Sharif

He read his mind. He's a strange sort of man, isn't he? It's not just the advice and the wisdom that he has.

~Omar Sharif

I don't think I could live without a deck of cards in my hands.

~Omar Sharif

I'll never know what my life would have been like if they hadn't made Lawrence of Arabia. What would I be? I would maybe have 10 children, a very fat wife. I would be very fat myself. I don't know.

~Omar Sharif

To learn bad dialogue is so difficult and so boring, and to work with a stupid director who tells you to do the wrong thing, etcetera, it's just unbearable.
