Freedom of the press is not questioned when investigative journalism unearths scandals, But that does not mean that every classified state document should be made available to journalists.

~Otto Schily

This fanaticism is what feeds terrorism. And this is precisely why Muslims must play an active role in opposing hate sermons and incitement to terrorism and extremism in their mosques.

~Otto Schily

There is no question that Iraq is one of the main problems. You'd have to be blind not to see what a magnet and generating force it's become for terrorist groups.

~Otto Schily

On September 11 last year international terrorism entered a new dimension.

~Otto Schily

Procedures outside the stadiums and in the parking areas still need to be optimized, for example so that emergency medical services can leave the grounds on their way to the hospital faster.

~Otto Schily

The vast majority of Muslims living here are peaceful citizens. Unfortunately, however, we also see religious and political fanaticism among Muslim groups in Germany.

~Otto Schily

The hatred Muslim extremists feel against the West feeds on certain conflicts in the world.

~Otto Schily

The military has been tremendously important in the past during

catastrophes and in protecting the population. But it shouldn't become an auxiliary police force.

~Otto Schily

We have points in common with the FDP, particularly when it comes to tax.

~Otto Schily

The attacks on the Paris Metro in the 1990s were committed by members of the local Muslim community, immigrants from the Maghreb region of North Africa.

~Otto Schily

Who knows what would have become of me, if my parents had not had their influence on me.

~Otto Schily

We cannot allow violence from militant activists to dictate where and how democratically elected state leaders hold their meetings.
