I think Harold Ramis is a genius beyond genius, and he's the nicest guy, funniest guy, sweetest guy ever. So I don't know if it applies to everybody, but maybe it has to do with your childhood.

~P. J. Soles

I was supposed to do *The Joy Of Sex* with John Belushi, but the week before we were gonna start filming, he died. So that was really tragic. That put the whole project on the shelf.

~P. J. Soles

Japan has really great fans for all kinds of music. I think they're keeping metal alive. They're really great supporters, and they really love music. I think it's a total outlet for them.
