Being called close-minded by religious people is a bit like being called yellow by a bunch of bananas.

~Pat Condell

Nobody should be compelled to respect an ideology that doesn't respect them.

~Pat Condell

It does seem quite ironic to me that the very people who clearly have made no attempt to think for themselves are always the most vocal in demanding respect for their "ideas".

~Pat Condell

Q: Prove God doesn't exist. A: That's a tough one. Show me how it's done by proving Zeus and Apollo don't exist, and I'll use your method.

~Pat Condell

You know, I found out recently that the word "heretic" comes from the Greek word "airetikÃ³s", meaning "able to choose" - which pretty much says it all, don't you think?

~Pat Condell

Freedom requires religion like a slug requires salt

~Pat Condell

Well it's a gloomy, rainy old day to be here in London, but it could be worse; I could be in Saudi Arabia where men are men, and women are cattle.

~Pat Condell

But it seems to me that if God had intended for you to cover your face then, in His wisdom, He would have provided you with a flap of skin for the purpose.

~Pat Condell

What is the difference between a Doctor of Medicine and a Doctor of Theology? One prescribes drugs, while the other might as well be on drugs.

~Pat Condell

Religion disapproves of original thought the way Dracula does sunlight.

~Pat Condell

Now, the past has plenty to teach us, but I don't think it should be allowed to detain us against our will.

~Pat Condell

Sharia ... is, of course, invalid because it's God's Law, and God doesn't exist.
