Psychopaths don't have that charming skill set. They definitely manipulate, but they do it through focused, unskilled means. They're more obsessive.

~Patrick Heusinger

I read as many books about the psychology of a psychopath as I could and I researched what exactly happens to soldiers.

When I look at myself in the mirror, I don't see the bad guy.

~Patrick Heusinger

When I did Casual, I just let myself put on weight because he's a schoolteacher. He's not meant to be muscle-y.

~Patrick Heusinger

I change myself a lot. Some roles you don't want to be big, bulky, muscle-y guy and some roles you want to be a lean, marathon-runner physical type. And some roles you just don't want to be in shape.

~Patrick Heusinger

Obviously I was talking to my parents and my girlfriend all the time, but it's one thing to finally be in the same room and get to be with each other and just hang out.

~Patrick Heusinger

I had done a little bit one other time. This character [in Jack Reacher] is a psychopath, but I had been hired by Carlton Cuse and Randall Wallace.

~Patrick Heusinger

I went into very deep research as to what exactly that meant and how sociopaths function psychologically and within the world.

~Patrick Heusinger

You get a role like this in a big action movie [like Jack Reacher] and you can go one of two ways: you can paint in broad strokes, which happens a lot in action films, or you can get very detailed.

~Patrick Heusinger

It's pretty tough on your loved ones to try to get back into a rhythm, especially when all you want to do is do nothing.

~Patrick Heusinger

[Jack Reacher] is the longest I'd ever shot anything - and let's be clear, this is my first studio feature film - so there was a huge learning curve.

~Patrick Heusinger

The guy [Tom Cruise] is a machine.

~Patrick Heusinger

[Tom Cruise] that kind of employee that's first to arrive, last to leave.

~Patrick Heusinger

I want to make sure everything has my 100%.

~Patrick Heusinger

You can hear how hard I work, I think, from these stories I'm telling. I'm incredibly dedicated and I'm sort of known as that to a point that people tease me about it.

~Patrick Heusinger

I'm obsessive about my job and I want it to be as great as it can possibly be, especially right now in these early parts of my career.
