

Patrick Leahy

Quotes

Justice, People, Rights, Country, Law, President, Government, Internet, Want, Thinking, Decision, Needs, Technology, Responsibility, War, Looks, Retirement, Exercise, Vermont, Children

Of course no president, Democratic or Republican - no president - is above the law, as neither are you, nor I, nor anyone.

~Patrick Leahy

The rights of copyright holders need to be protected, but some draconian remedies that have been suggested would create more problems than they would solve.

~Patrick Leahy

You get fifteen democrats in a room, and you get twenty opinions.

~Patrick Leahy

The American public is sick and tired of being lied to.

~Patrick Leahy

The part that frightens the hell out of me is the government deciding where technology goes.

~Patrick Leahy

We need to consider nominations as thoroughly and carefully as the American people deserve. No one is entitled to a free pass to a lifetime appointment to the Supreme Court.

~Patrick Leahy

The American people deserve a Supreme Court justice who can demonstrate that he or she will not be beholden to the president, but only to the law.

~Patrick Leahy

The federal judiciary is unlike the other branches of government. And once confirmed, a federal judge serves for life. And there's no court above the Supreme Court.

~Patrick Leahy

The appointment of the next Supreme Court justice must be made in the people's interest and in the nation's interest, not in the interest of any partisan faction.

~Patrick Leahy

[Sandra Day O'Connor] is a justice whose graciousness and sense of duty fuels her continued service, even agreeing to serve more than six months after her retirement date.

~Patrick Leahy

Judiciary is where my passion is.

~Patrick Leahy

We've won wars before and we've certainly retained our rights as Americans.

~Patrick Leahy

In my view it is time to pass a good bill, a fair bill, a comprehensive bill ... Too many have been waiting too long for fairness.

~Patrick Leahy

A lot of people in my state of Vermont are gun owners.

~Patrick Leahy

Press releases tell us when federal agencies do something right, but the Freedom of Information Act lets us know when they do not.

~Patrick Leahy

I intend to have protections for the L.G.B.T. community in there. I'm not going to make choices between that community and the non-L.G.B.T. community.

~Patrick Leahy

The court that serves America should reflect America.

~Patrick Leahy

I don't want somebody as attorney general who thinks he has to rubberstamp whatever the president says.

~Patrick Leahy

I look forward to the time when the membership of the Supreme Court's more reflective of the country it serves.

~Patrick Leahy

Stealing is stealing. I don't care if it's on the Internet or you're breaking into a warehouse somewhere - it's theft.

~Patrick Leahy

At first glance, there's a lot of sex on the Internet. Or not at first glance: nobody can find anything on the Internet at first glance.

~Patrick Leahy

Most Americans want a sense of privacy. A lot of us don't realize how much of our privacy we're exposing by the internet.

~Patrick Leahy

I think that we should not delay for the sake of delay, but delay until questions are answered.

~Patrick Leahy
