

Patty Murray

Quotes

*Country, Grateful, Long, Believe, Kids, Strong, Moving, School, Caring, Jobs,
Promise, Our Veterans, Alabama, Morning, Challenges, Choices, Want,
Badass, Needs, People*

Good education means learning to read, write and most importantly learn how to learn so that you can be whatever you want to be when you grow up.

~Patty Murray

I want to make sure that all kids get a good education and enjoy what they learn

~Patty Murray

If the Republicans get control back of the United States Senate, we will no longer have a check and balance on the White House, on the Republican Congress.

~Patty Murray

By working together to focus on our national priorities today we can ensure that the state of our union is strong for the future.

~Patty Murray

Caring for our veterans is the duty of a grateful nation. Unfortunately, the Bush administration and congressional Republicans have not lived up to this duty.

~Patty Murray

The FDA is redefining birth control as abortion. The FDA is setting the bar higher for this kind of drug.

~Patty Murray

Simply, with a Republican Congress sitting shotgun, Mitt Romney will put the middle class on the roof and take us for a long, painful ride.

~Patty Murray

Caring for our veterans is the duty of a grateful nation.

~Patty Murray

I am pro choice, I believe everyone should have the right to decide for themselves.

~Patty Murray

I am fighting for those middle-class families who want us to deal with our debt and deficit, but they also want the investments that are critical to our country moving forward.

~Patty Murray

This is a long-delayed, hard-won, and badly needed victory for millions of women.

~Patty Murray

For the state of our union to be strong, we need to place value in Americans.

~Patty Murray

The Presidents plan to privatize Social Security would actually take away guaranteed benefits and put the promise of a secure retirement in jeopardy.

~Patty Murray

So, I'm not impressed by BP's promises and I'm not ready to take the word of a company with a track record of pursuing profit over safety.

~Patty Murray

Guess what - I am one of the ONLY senators in the whole United States Senate that is computer literate!

~Patty Murray

I am a mom as well as a senator!

~Patty Murray
