For reporting a scientific finding, I was called a 'conspiracy theorist.' Only in America is scientific analysis seen as conspiracy theory and government lies as truth.

~Paul Craig Roberts

A true patriot does not confuse government with country. A patriot's loyalty is to his country, and loyalty to country requires holding government accountable.

~Paul Craig Roberts

Washington's Corruption and Mendacity Is What Makes America 'Exceptional'

~Paul Craig Roberts

No one outside America any longer believes the US media or the US government... You can't believe a word the American media says. If they say anything correct, it's just an accident.

~Paul Craig Roberts

Terrorists can endanger some of us, but the war on terror endangers us all. How much more can the Constitution be diminished before it is completely replaced by arbitrary government power?

~Paul Craig Roberts

A country that goes out of its way to imprison the innocent has no business preaching democracy to the world.

~Paul Craig Roberts

When the world looks at America, what it sees is an Israeli colony.

~Paul Craig Roberts

Tariffs protect ill-considered government policies, such as costly regulations and high taxes on labor and capital that make our goods uncompetitive in international markets.

~Paul Craig Roberts

A country whose population has been trained to accept the government's word and to shun those who question it is a country without liberty in its future.

~Paul Craig Roberts

As the growing emphasis on feelings crowds out reason, facts will play a smaller role in public discourse.

~Paul Craig Roberts

In U.S. politics, 'compassion' means giving money and privileges to well organized interest groups at everyone else's expense.

~Paul Craig Roberts

Consistency may be the hobgoblin of little minds, but law, morality and leadership demand it. Without consistency, there is privilege.

~Paul Craig Roberts

If our language and culture are not passed on to immigrants, where will they learn to value integrity in government and the rule of law?

~Paul Craig Roberts

Justice is no longer a concern of the justice system.

~Paul Craig Roberts

There are enough fools in Washington to destroy the country without any help from Muslim terrorists.

~Paul Craig Roberts

Unequal group rights, the politics of redistribution and a Constitution whose meaning varies with changeable coalitions are a recipe for civil war.

~Paul Craig Roberts

When character is lost, rules and punishments cannot take its place.

~Paul Craig Roberts

A country in which 42% of the population is totally misinformed is not a country where democracy is safe.

~Paul Craig Roberts

The United States has collapsed economically, socially, politically, legally, constitutionally, and environmentally.

~Paul Craig Roberts

The very concept of law that protects us from tyranny has been lost. No longer the people's shield, law has become a weapon in the hands of government.
