Can you imagine Grandmaster Flash on a laptop?

~Paul Oakenfold

Madonna has a very unique style and comes up constantly with these great songs.

~Paul Oakenfold

All of the artists that I've worked with have an incredible work ethic. And Madonna has the best work ethic of them all. I've learned a lot from being around her.

~Paul Oakenfold

I've been going to China every year now for more than a decade.

~Paul Oakenfold

It's good to see that America has a hub for electronic music in Vegas, like Europe has with Ibiza.

~Paul Oakenfold

When I was in the studio with Madonna, we would work 12-hour days. If you want to work with the best, then that's what you have to do.

~Paul Oakenfold

I never thought electronic music would get as popular in America as it has. When I first came to Vegas in 2009 for my residency - we were

they only people playing electronic music at that time.

~Paul Oakenfold

Let their music skill speak for [itself]. If they are producing good tracks and are resonating with their fans, or even gaining new fans, then that's great.

~Paul Oakenfold

When I collaborated with Nelly Furtado, the idea for the song structure came from myself, but the lyrics and the ideas behind the songs came from her.

~Paul Oakenfold

I think anybody that is going to be taken seriously in [music] industry needs to produce their own original music.

~Paul Oakenfold

I've worked with everyone from Ice Cube to Snoop Dogg ... right across to working with pop stars like Justin Timberlake. Why those artists came to me is because they wanted my sound.

~Paul Oakenfold

I am here for 5 days to enjoy myself and rest. Israel is a beautiful country and the audience is full of passion and I enjoy everything there is here.

~Paul Oakenfold

There is a definite Chinese pop sound developing, but I was shocked at how influenced it is by American music.

~Paul Oakenfold

I'm about to start working with a singer I met on my last trip: she'll get international exposure, and I'll have a song out in that market sung in Cantonese.

~Paul Oakenfold

I wish my friends at William Morris Endeavor all the best.

~Paul Oakenfold

APA is another evolution in my career; they have unique vision and share my goals for the future. I look forward to expanding our horizons together.
