Happy wife, happy life.

~Paul Orfalea

If you're going to enjoy the picnic that life really is, you'd better learn to like yourself not despite your flaws and so-called deficits, but because of them.

~Paul Orfalea

Accountants are in the past, managers are in the present, and leaders are in the future.

~Paul Orfalea

The goal of management is to remove obstacles.

~Paul Orfalea

Make your customers comfortable and they will give you their lives.

~Paul Orfalea

You can either complain or look for opportunity in every problem. I prefer opportunity.

~Paul Orfalea

The people in the front lines are my customers. I need to keep them happy. And, the best way to take care of your customers is to take care of your workers.

~Paul Orfalea

With ADD, you're curious. You're eyes believe what they see. Your ears believe what others say. I learned to trust my eyes.

~Paul Orfalea

One day I'd like to go to the Moon and look at the planet Earth and say, 'Wow, there's part of my portfolio.'

~Paul Orfalea

My motto has always been that anybody can do it better than me.

~Paul Orfalea

If I find a great idea, I work on it at the beginning, then bring in other people to make things work. Actually, I've always been good at getting out of work.

~Paul Orfalea

There's no point in bragging in the good times. Your friends don't need to hear it and your enemies won't believe it anyway.

~Paul Orfalea

All my life I knew I would have a big business. That's what I wanted from the time I was in second grade; there was never a doubt in my mind.

~Paul Orfalea

I think everybody should have dyslexia and ADD.

~Paul Orfalea

I would get rid of the Department of Education. I would get rid of the state departments of education and let the local people control the schools.
