Prosperity belongs to those who learn new things the fastest.

~Paul Zane Pilzer

Ten million new millionaires will be created by 2016, and you can become one of them - especially if you are in direct selling, technology or home-based business.

~Paul Zane Pilzer

The best system I've ever seen for intellectual distribution is the direct selling business-also known as one-to-one marketing, network marketing, referral marketing or relationship marketing.

~Paul Zane Pilzer

Before you invest in anything else, exhaust the possibilities of investing in your own business first.

~Paul Zane Pilzer

The #1 business opportunity for those who want to create new wealth is educating consumers about products and services that will improve their lives.

~Paul Zane Pilzer

The greatest opportunities today are to go into business for yourself as an entrepreneur.

~Paul Zane Pilzer

When you create a business, you create something that improves the life of your customer, of another person, maybe of ten people, of a thousand people, of a million people. There's no higher calling.

~Paul Zane Pilzer

Today about 95% of the prescription drugs sold are Maintenance drugs-drugs that treat only the symptoms of a disease, and that you are expected to take for the rest of your life.

~Paul Zane Pilzer

You only win when you help others win.

~Paul Zane Pilzer

Our wealth is rewarded directly in proportion to the number of people with whom we are willing to share.

~Paul Zane Pilzer

Of all the entrepreneurial opportunities available today, one of the most important is direct selling, also called network marketing.

~Paul Zane Pilzer

The act of being an entrepreneur is a theological act: it is a belief that God has given you the tools to go out, make money and take care of your family.

~Paul Zane Pilzer

Direct selling provides an opportunity open to absolutely everyone, regardless of background, specialized skills or capital worth.

~Paul Zane Pilzer

How much you discipline your mind to step out of its routines and look into new ways of doing things that you haven't yet adopted, is what will determine your economic potential.

~Paul Zane Pilzer

We're in the midst of a boom in home-based businesses, and it shows no sign of slowing.

~Paul Zane Pilzer

I feel I'm doing God's work switching people from group plans to individual insurance.

~Paul Zane Pilzer

In today's world, working for yourself is actually the safer route, and working for a corporation has become the riskier proposition.

~Paul Zane Pilzer

You cannot grow more hours in the day. However, you can make better use of those hours.

~Paul Zane Pilzer

Changes that used to take place in 50 years now happen in a handful of years . . . or even months. And how we deal with that changing technology explains almost everything.

~Paul Zane Pilzer

What is the one bright spot on the entire horizon that would give someone an opportunity to be retrained to learn new skills? Direct selling.

~Paul Zane Pilzer

In just the past century we have almost doubled the percentage of fat in our diets--from 20% in 1910 to about 35% today.

~Paul Zane Pilzer

Personal wealth is the by-product of making the world a better place.

~Paul Zane Pilzer

Obesity is a prison; in the US we spend more to treat type 2 diabetes each year than is spent on education.

~Paul Zane Pilzer

Amazingly, only 15 percent of U.S. adults engage in regular vigorous physical activity, and 60 percent report getting effectively no exercise at all from regular or sustained leisure time activity.

~Paul Zane Pilzer

Unlike every other retirement vehicle, such as IRAs and 401(k)s, you receive a tax deduction for making contributions to your HSA but don't have to pay income taxes on withdrawals.
