We have to raise our young boys to respect women and our young girls to demand respect and to get their values from something other than their physicality.

~Paula Broadwell

I'm not in love with David Petraeus. But I think he does present a terrific role model.

~Paula Broadwell

I haven't had senators advocating for me.

~Paula Broadwell

As an intelligence officer, if you don't have a security clearance, you really don't have a job. My military position was, and has been, frozen, for four years.

~Paula Broadwell

Hopefully women can work with [Ivanka Trump] to influence up the chain of command. I think it's good for us, for women. It's a glimmer of hope.

~Paula Broadwell

I think Ivanka Trump she has this power and powerful women are reaching out to her and she needs to take advantage of that.

~Paula Broadwell

Imagine what Ivanka Trump life has been like? She's been eaten alive by the media. I have empathy for that.

~Paula Broadwell

You can reclaim your own narrative.

~Paula Broadwell

You need to accept responsibility for your mistakes. And I've done that.

~Paula Broadwell

The word is a label and I don't like it at all.

~Paula Broadwell

It's reducing my entire professional career and background to this one word [mistress].

~Paula Broadwell

I was a Ph.D. student at a very reputable university, I was a Harvard research associate at one of the world's premier leadership institutions.

~Paula Broadwell

As a feminist, I'll wear whatever I want to.

~Paula Broadwell

I'm really happy for [David Petraeus]. He's exceptionally talented.

~Paula Broadwell

I've moved on with my life and I'm trying to find a path to re-establish my career.

~Paula Broadwell

When I get this kind of support, I feel validated in my decision to stand up for myself.

~Paula Broadwell

[My kids] were very young at the time and didn't realize what was going on. We told them that mom made a mistake and people want to talk about it in the news so they're outside our house.

~Paula Broadwell

I'm 100 percent serious. I've been fighting for equality for women's issues my entire life, in the military included.

~Paula Broadwell

[Fighting for equality for women] that's what my mission has been for the last years.

~Paula Broadwell

If Ivanka Trump called, I think good people need to serve.

~Paula Broadwell

I was an academic and I lost my assignment at Harvard. Meanwhile, [David Petraeus] gets invited to Harvard to become a fellow.

~Paula Broadwell

If I'm strong, I'm not going to apologize for being strong.

~Paula Broadwell

When I fell, some people were in such shock that they didn't reach out. They were so mad at me, rather than having compassion for what happened. I lost a lot of friends.

~Paula Broadwell

I had been sort of a rising star - an athlete, a scholar, a leader. My dream was to become a high-level national security adviser.

~Paula Broadwell

I also feel like I've done plenty of wrong things. I'm not innocent here, and I'm certainly not going to be righteous about that.

~Paula Broadwell

I think the public doesn't understand that one of the reasons I haven't stood up for myself is because in order to do that, I have to stoop to a level that further humiliates other people.

~Paula Broadwell

I think Donald Trump is the best person for the job. It comes back to redemption campaign rhetoric. They all say that stuff.[Barack] Obama and [Hillary] Clinton said that about each other.

~Paula Broadwell

I had been working on a second book with [David] Petraeus called Relentless. Obviously that book and the income that it would have generated went away.

~Paula Broadwell

My peers are all in sensitive jobs - at the C.I.A., the National Security Council, working for the Department of Defense. They can't stand up for me in public.

~Paula Broadwell

I don't have the advocates. I don't have a good old boys network. Part of what I want to do is to create a good old girls network.

~Paula Broadwell

It really felt like a tidal wave of bias washed over our country and we're still soaked in it.

~Paula Broadwell

I was incredulous as the bias of the media in terms of the candidates [for presidency]. I was incredulous at the fake news.
