I could never find two people who are perfectly equal: one will always be more valuable than the other. And many people, as a matter of fact, simply have no value.

~Pentti Linkola

The difference between a terrorist and a freedom fighter is a matter of perspective: it all depends on the observer and the verdict of history.

~Pentti Linkola

If there were a button I could press, I would sacrifice myself without hesitating, if it meant millions of people would die.

~Pentti Linkola

Everything we have developed over the last 100 years should be destroyed.

~Pentti Linkola

The composition of the Greens seems to be the same as that of the population in general - mainly pieces of drifting wood, people who never think.

~Pentti Linkola

To the Green movement in which infantilism is seen at its worst, authority is a far more serious evil than the destruction of life.

~Pentti Linkola

That there are billions of people over 60kg weight on this planet is recklessness.

~Pentti Linkola

The 20th century peatlands ditching in Finland was the worst human environmental destruction action in Europe.
