If you're not part of the freaks, you're part of the boredom.

~Perry Farrell

Some people should die that's just unconscious knowledge.

~Perry Farrell

If you want a friend, feed any animal.

~Perry Farrell

I want to be more like the ocean... no talk and all action.

~Perry Farrell

I mean, gosh, my first tours I ever did were with the Ramones and Iggy Pop and Love & Rockets.

~Perry Farrell

Sometimes to realize you were well, someone must come along and hurt you.

~Perry Farrell

If I had my way, I would have sex, drugs, and rock 'n' roll at least 4-6 hours a day.

~Perry Farrell

You have to take risks.

~Perry Farrell

Music is always my great escape... I get to be that wild child and do whatever the hell I want on stage.

~Perry Farrell

Without game, men prey on each other.

~Perry Farrell

Jimi Hendrix's music was escapism.

~Perry Farrell

I'm looking to evolve the concept of the new renaissance artist, taking the world by storm through the art of public display and demonstration, with technical savvy, using cell phones and computers.

~Perry Farrell

The formats have changed so much, and even if you look at alternative music today, most of it isn't really that alternative. It's just good, strong, modern music.

~Perry Farrell

The live concert industry has become corporate-ized.

~Perry Farrell

I love being able to escape my past, even though my past was great.

~Perry Farrell

A lot of girls walk this earth telling people they've slept with me. And a lot of them did. But I don't remember 95 percent of them.

~Perry Farrell

I'm always working on concepts and ideas for the future.
