

Pete Carril

Quotes

Basketball, Player, Winning, Hard Work, Team, Thinking, Sports, Nba, Kids, Coaching, Character, Running, Volleyball, Parent, Together, Shooter, People, Distance, Jobs, Lost

Get the kids to understand that they shouldn't worry about who makes the shot, only whether or not the shot is made

~Pete Carril

Coaches win practices, players win games

~Pete Carril

If you think you are working hard, you can work harder. If you think you are doing enough, there is more that you can do. No one really ever exhausts his full potential.

~Pete Carril

A guy who gives you less than what he has to give is, one, telling you what he thinks of you, and two, telling you what he thinks of himself.

~Pete Carril

The two ingredients in success in basketball are playing hard and playing intelligently.

~Pete Carril

If you yell at a kid and he gets mad at you, you've lost him. If you yell at a kid and he gets mad at himself, then you have something.

~Pete Carril

Coaching is preparation.

~Pete Carril

In a team sport like basketball, every time you help somebody else, you help yourself.

~Pete Carril

Bad shooters are always open

~Pete Carril

I don't recruit players who are nasty to their parents. I look for players who realize the world doesn't revolve around them.

~Pete Carril

Work hard to make things easier.

~Pete Carril

Winning takes character and intelligence. It is the most important thing you can do because it's a reaffirmation of your character.

~Pete Carril

The strength of my Princeton teams has always been attitude, intelligence and discipline.

~Pete Carril

Winning takes character. Workers get the most out of themselves. When a body has limited talent, it must muster all its resources of character to overcome adversity.

~Pete Carril

The quality of the pass leads directly to the quality of the shot

~Pete Carril

I believe the objective of coaching is winning with integrity.

~Pete Carril

A coach's job is to put his team where it can function effectively and win.

~Pete Carril

The sterner the discipline, the greater the devotion.

~Pete Carril
