Technology, Motivational, Business, Looks, Attention, Issues, Stress,
Community, Events, Creating, Judged, Social Network*

I find it best to dive right in and learn the hard way.

~Pete Cashmore

We are really competing against ourselves, we have no control over how other people perform.

~Pete Cashmore

Privacy is dead, and social media holds the smoking gun.

~Pete Cashmore

We're living at a time when attention is the new currency. Those who insert themselves into as many channels as possible look set to capture the most value.

~Pete Cashmore

We're living at a time when attention is the new currency.

~Pete Cashmore

Always, in your career and personal life, be evolving with technology.

~Pete Cashmore

Talk to people no one else is talking to.

~Pete Cashmore

What I'm interested in are tools that can assist people to do the things they're really good at.

~Pete Cashmore

Execution really shapes whether your company takes off or not.

~Pete Cashmore

I don't have any personal challenges about throwing away the past. If you're not changing, you're giving others a chance to catch up.

~Pete Cashmore

I think you're going to see tech bringing efficiencies to businesses that aren't pure tech.

~Pete Cashmore

We are all more connected than ever. That connectivity builds tolerance.

~Pete Cashmore

That's really been my passion: to communicate to a broad audience why the technology matters for you.

~Pete Cashmore

My dad is good at sticking with stuff and he has a strong work ethic, which is imbued in me. Growing up, he would constantly ask what I was doing and was I achieving anything.

~Pete Cashmore

Now, two things happen. One is, people know people, whether that's on Facebook or Twitter. They feel closer to the event. Secondly, people see other people doing something about it.

~Pete Cashmore

The more people you know from different backgrounds, the more tolerant you feel of different ways of living, and the closer you feel to the issues that those people have.

~Pete Cashmore

We have this revolution that's happening in our lifetime. The Information Revolution is changing absolutely every industry and every part of life and society and behavior.

~Pete Cashmore

You just want to be judged against everyone fairly.

~Pete Cashmore

You have a responsibility when you have a large community.

~Pete Cashmore

I don't have a TV or watch movies. I don't like to be broadcast to, I want to participate.

~Pete Cashmore

If it doesn't come through the Internet, it's not really compelling to me.

~Pete Cashmore

I kept my age quiet for a good few years. I didn't see it as a positive. I worked remotely, so I just didn't tell people.

~Pete Cashmore
