My advice has always been to study the craft of acting if you want to be an actor. There are many great schools that teach acting. NYU being one of them.

~Peter Facinelli

I miss the woods. Sometimes I go on weekend trips and just wander the woods, barefoot and reminiscing, and I put my contact lenses in. Is that weird?

~Peter Facinelli

When you are creating your character there are a lot of questions and sometimes you doubt if you are making the right choices.

~Peter Facinelli

Well, in Twilight, I started out dying my hair blonde. And then, as the movie progressed, I wore wigs. The wigs went through a transformation. In Breaking Dawn, it's a little longer. That's my arc.

~Peter Facinelli

I don't know what the future holds. I just try to do roles that I haven't done before.

~Peter Facinelli

Sometimes while you're cooking it's messy but the outcome is good. The end result is all that counts.

~Peter Facinelli

...Something about, 'I love my dad, I love my dad, makes me feel better when I'm sad ... I love you to the moon and back.

~Peter Facinelli

I like to keep my Twitter pure. I don't want to sell my followers anything.

~Peter Facinelli

We had a lot of rehearsals for the original Twilight to get the family to learn each other and experience each other, so we could all be like a family. We spent a lot of time together.

~Peter Facinelli

I think we're all fans of Twilight. Being in this Saga, you become a fan. I have the whole DVD collection at home. I put it on every day and watch it at least five times a day. Is that weird?

~Peter Facinelli

It definitely gets challenging at times. I travel a lot more now, and its never easy having to leave the kids, even if its for a few days.

~Peter Facinelli

I was so shy. Instead of waiting in line with other kids at lunch, I'd go to a corner and buy a pretzel and orange juice. I think I had that for lunch the first three years of high school.

~Peter Facinelli

We've always had to worry about the electrical grid and nuclear facilities, and they remain a concern; but cyber-terrorism, you know, which is a word that you hear more and more, I think is a reality.

~Peter Facinelli

When I was younger I saw a movie called 'Butch Cassidy and the Sundance Kid' with Paul Newman and Robert Redford. Those two actors and that movie was my inspiration to want to be an actor.

~Peter Facinelli
