Don't ever rob a bank. Enjoy life. Have fun. Choose to be happy now; don't wait until you're 'successful,' because honestly, I was as happy when we were unemployed and scrounging around for a buck.

~Peter Farrelly

You can't control the way people are going to describe you.

~Peter Farrelly

Everything's a lot easier when you work with someone you know just about as well as you know yourself.

~Peter Farrelly

With all of my films if I get one bad review and a bunch of good reviews the bad one is the only one that will stay with me, which really sucks!

~Peter Farrelly

There is a point you can definitely lose the audience and sometimes you don't know where it is.

~Peter Farrelly

I know guys. I know the way they think.

~Peter Farrelly

The guy I've never worked with that is pissing me off is Tom Hanks. I want to work with Tom Hanks more than anyone.

~Peter Farrelly

To the critics: You always complain that Hollywood never gives you new stuff, and then when you get it, you flip out. Lighten up.

~Peter Farrelly

If I was not allowed to mention that I was in the film industry, I could go six months without getting a kiss.

~Peter Farrelly

Movie 43 is about the hardest R Rated comedy ever.

~Peter Farrelly

You know, I'm not sure I ever even had a blind date!

~Peter Farrelly

Anybody who is a fan of any team is going to recognize themselves in this.

~Peter Farrelly

Usually, you can shoot a movie in 10 or 12 weeks.

~Peter Farrelly

We really love all sports, but we don't think in the long term. The reason we did Kingpin was because there was a script we really liked and we saw the possibilities.

~Peter Farrelly

I do know this: When somebody has to look great on the screen, that's the death of funny.

~Peter Farrelly

I always loved Kate Winslet, but after you meet her you really love her because she's a cool chick.

~Peter Farrelly

If you work with Jim Carrey, you're working with the best.
