"I'll sue!" Ian sputtered. "I'll sue you AND the dog. And the country of South Korea. And...and..." "The landscape architect?" Natalie asked. "The landscape architect!" Ian shouted.

~Peter Lerangis

Trust is a fragile thing - difficult to build, easy to break. It cannot be bargained for. Only if it is freely given it can be expected in return

~Peter Lerangis

Who needs bread crumbs," Dan replied, "when you have GPS?"

~Peter Lerangis

The boy smiled -- mostly at Amy. "Sorry, her heart belongs to Ian Kabra," Dan said, except that something in her expression made him realize her heart didn't belong at all to Ian right now.

~Peter Lerangis

Dan was heading for the blue car in the driveway. He tossed Amy the car keys. "Don't drive like you! Make it fast!"

~Peter Lerangis

Dan watched in awe. "I didn't know you talk Turkey." "I speak Turkish.

~Peter Lerangis

Cheyenne snatched back her phone. "Someone took her brave pills today." "And washed them down with stupid juice," Casper added, cocking his gun.

~Peter Lerangis

This, my children," Alistair said proudly, "was barbecue pork." Dan rapped his fingers against the latch. "Been out in the sun for a long time.

~Peter Lerangis

You guys are related to Jonah Wizard?" Jake asked, his lip curled disdainfully. "And the other guy," Dan grumbled. "Vin Diesel's stunt double.

~Peter Lerangis

It's a token for the arcade games at Laser Sport Time!" Dan hissed. "Uncle Alistair doesn't think so," Amy murmured. "He's a numismatist." "He takes his clothes off in public?" Dan said.

~Peter Lerangis

I g-g-guess...I'm dead?" she heard her own voice call out, strangely high-pitched and thin. For a long time, she heard nothing else. And then: "Hi, Dead. I'm Dan.

~Peter Lerangis

How do you know, Dan? You were so young when they died. Do you really remember them?" "Not in my mind," Dan replied, gazing at the passing scenery. "But everyplace else.

~Peter Lerangis

Don't get me started on the little airplane name badges," Natalie grumbled.

~Peter Lerangis

Hey, Amy, did you ever want to, like, get on the conveyor belt and see what happened? Like, 'Hey don't mind me, I'm just hanging with cargo'?
