Financial, Students, Home*

No one should be surprised just because somebody isn't successful 100 percent of the time.

~Peter Navarro

Donald Trump is not a protectionist. If he imposes tariffs on China or any other country that cheats, all he wants to do is defend America against unfair trade practices.

~Peter Navarro

This is what Donald Trump understands. This is the trade deficit. We run a trade deficit of close to \$800 billion a year.

~Peter Navarro
