Winning, Radio, Too Much, Quarterback, Mad, Believe, Down And, Lasts,
Watches, Remember*

The Denver Broncos are all child molesters

~Phil Simms

Of course it looks bad when you're not executing. When things go bad, it's not going to look good.

~Phil Simms

Remember, for it to be a forward pass, it's got to go forward.

~Phil Simms

So many QBs throw the ball down the field, that's wrong. Watch Aaron Rodger throw it up the field

~Phil Simms

I haven't thought about it. I'm not capable of deep thinking.

~Phil Simms

I criticize a lot of players and coaches. But I back it up with facts. A lot of times guys get mad at me because someone told them what I said. I say, 'You're wrong: Go check the tape.

~Phil Simms

Hardly anything wrong can go bad.

~Phil Simms

Sometimes, it's good to have a tremendous star, because everyone understands he has to get the ball.

~Phil Simms

Too much thinking is a bad thing sometimes.

~Phil Simms

The more angles I see, the more confused I get.

~Phil Simms

People go, 'Hey, did you do anything special for the Super Bowl?' Well no, I like to think I do the same amount of work every week getting ready for a game.

~Phil Simms

Ray Rice was beat up last year

~Phil Simms

You better...buckle uh down and then tighten up to stop this passing game

~Phil Simms

I'm not a guy that believes you've got to have a lot of experience to have success in the playoffs.

~Phil Simms

As a quarterback, can you throw it where you are looking?

~Phil Simms

Talk radio has almost ruined the sports fan.

~Phil Simms

I don't care what you think of Michael Vick - whether you think he's being mistreated or misused, or just think he's not that good, whatever. He can play for my team any day

~Phil Simms
