Royalty is completely different than celebrity. Royalty has a magic all its own.

~Philip Treacy

Elegance is all in the mind of the wearer.

~Philip Treacy

How a hat makes you feel is what a hat is all about.

~Philip Treacy

Hats are radical; only people that wear hats understand that.

~Philip Treacy

I always design the hat with the wearer in mind; otherwise, it's an inanimate object.

~Philip Treacy

Fantasy hats give you the possibility to dream.

~Philip Treacy

A person carries off the hat. Hats are about emotion. It is all about how it makes you feel.

~Philip Treacy

Hats make people feel good, and that's the point of them.

~Philip Treacy

I'm Irish but I design something that is quintessentially English and I love hats.

~Philip Treacy

I like hats that make the heart beat faster.

~Philip Treacy

In a world where every man and his dog is a designer, Alexander McQueen was the real deal. His talent was supersonic.

~Philip Treacy

Gaga is an entertainer, so a hat for her is part of the illusion of entertaining.

~Philip Treacy

Everybody loves things that sparkle.

~Philip Treacy

I believe that I am a hat designer, not a milliner.

~Philip Treacy

Fashion is an illusion. It's a multibillion-pound industry that has to appear frivolous. Designers work and work and work, all night sometimes.

~Philip Treacy

Certainly, people like Gaga have introduced a new type of hat-wearing.

~Philip Treacy

I love the shape of cars. They are very inspiring as modern pieces of machinery. I can't drive, but I do like the look of them.

~Philip Treacy

I make hats for lots of iconic people, and that makes my job very interesting.

~Philip Treacy

I particularly like to travel for work because you see a completely different side of the country you're visiting.

~Philip Treacy

I must point out - Sarah Jessica Parker is not a diva - she's one of these pop culture characters that everybody likes.

~Philip Treacy

I do say I'm a specialist in divas. Name a diva - I've worked with 'em.

~Philip Treacy

I believe in a democratic approach to fashion: if you feel good, then great. You may not look good, but it's not the problem.

~Philip Treacy

Every day, I like to make hats that make people dream.

~Philip Treacy

It thrills observers and makes the wearer feel a million dollars.
