Women must begin to "save" themselves and their daughters before they "save" their husbands and their sons; before they "save" the whole world.

~Phyllis Chesler

Sons or fathers, poor men or rich men, sacred or secular: all are homosexual in their worship of everything phallic.

~Phyllis Chesler

Feminism is a way of understanding reality, not just a series of things to do. Feminism challenges our predilection for one right answer, one right God, one size fits all.

~Phyllis Chesler

The West has funded the war against itself by buying Arab oil. It is as simple and as tragic as that.

~Phyllis Chesler

Time is life. Anyone who wastes my time is killing me. Please don't!

~Phyllis Chesler

All men are not rapists - but almost all rapists are men.

~Phyllis Chesler

Good people in the West have often failed to distinguish between Islam and Islamism.

~Phyllis Chesler

Many 'natural' events - like early death, disease, hardship - are neither desirable nor necessary.

~Phyllis Chesler

Ideal mental health, like freedom, exists for one person only if it exists for all people.

~Phyllis Chesler

exile ... might be the largest new state created by the twentieth century and the psychology of the twenty-first century.

~Phyllis Chesler

If it were natural for father to care for their sons, they would not need so many laws commanding them to do so.

~Phyllis Chesler

Only the powerless live in a money culture and know nothing about money.

~Phyllis Chesler

for every marriage that is made in Heaven, there is a marriage made in Hell.

~Phyllis Chesler

Women must convert their love for and reliance on strength and skill in others to a love for all manner of strength and skill in themselves

~Phyllis Chesler

Most mother-women give up whatever ghost of a unique and human self they may have when they 'marry' and raise children.

~Phyllis Chesler

Sexual pleasure is not a sin. Nor is it a sacrament. It is your right as a human being to exercise as you see fit. It's amazing that I feel the need to say this, but, given our times, I do.
