I'm more of a handbag girl; my guilty pleasure is bags. I don't even have a clue how many I own.

~Poppy Delevingne

A great Dermalogica facial every few weeks, and lots of sleep over the weekend are essentials. I also drink lots of water which really helps to hydrate the skin and keep it looking fresh.

~Poppy Delevingne

I love maxi dresses, I feel so great when I put on a maxi dress, big earrings and sandals.

~Poppy Delevingne

I'm not used to going out every single night, which you can do in New York.

~Poppy Delevingne

I love to shut out the world sometimes and hibernate.

~Poppy Delevingne

My mother is the bravest human being I've ever come across.

~Poppy Delevingne

You could say I'm a bit of a nomad.

~Poppy Delevingne

I wash my hair after every shoot. If I'm not shooting I can normally do it every other day. I always follow my tailored haircare routine and stick to that, and I always get great results.

~Poppy Delevingne

I would love to go for a bob. I want to do the chop and go drastic.

~Poppy Delevingne

I always find it difficult to dress in between seasons, but I quite like putting T-shirts on with a vest over the top and another layer so you can peel them back as the day goes on.

~Poppy Delevingne

I would say I spend about an hour a day cleansing and moisturising after all of the make-up I've worn on jobs, and on weekends I tend to go bare-faced to give my skin a bit of a break.

~Poppy Delevingne

I'm always late for things and always feel like I'm rushing.
