He would use amphetamines to stay awake because he would have late night maneuvers that would go way into the early morning hours and he was given pills to stay up for the long hours.

~Priscilla Presley

Inner beauty should be the most important part of improving one's self.

~Priscilla Presley

She would go to Memphis and this was after our divorce. And I would send her to Memphis to be with him.

~Priscilla Presley

And when Elvis was unhappy, believe me, everyone was unhappy.

~Priscilla Presley

There is a shyness about me, and I really need to get out more.

~Priscilla Presley

It's not that, you know, when a relationship doesn't work and there are issues, you have to somehow work it out if there are children involved.

~Priscilla Presley

I lived a really wonderful life with this man and even after our divorce, it was incredible.

~Priscilla Presley

At times he could be very critical. He didn't like prints on me. He didn't like stripes. He didn't like boldness. He said I was petite and that was taking away from my looks.

~Priscilla Presley

Being considered beautiful at a young age sends confusing signals. You think people only like you because of your beauty.

~Priscilla Presley

I like the creative aspect of developing a project.

~Priscilla Presley

I don't want to be someone's entertainment.

~Priscilla Presley

No one has really heard my side of the story, the adventure we had together, the transformation that I had going from a schoolgirl to a woman overnight.

~Priscilla Presley

Yes, the divorce was difficult. It was difficult.

~Priscilla Presley

I don't feel like a grandmother. I don't.

~Priscilla Presley

I did, but I'm not real fond of giving interviews.

~Priscilla Presley

When you live life and you are living the experience, you tend not to appreciate them as you are living them. It's only when you look back and realize how special they were.

~Priscilla Presley

There were the phone calls and Elvis had asked me to visit him in Los Angeles. This was in 1962.

~Priscilla Presley

You know, you know, obviously, if my daughter's happy, you know, then I don't have any problem.
