

Q-Tip Quotes

*Rap, Hip Hop, People, Men, Moving, Rain, Sound, Teenager, Play,
Expectations, Mean, Albums, Song, Art, Crazy, Way, Thug, Breathe, Eye, Two
Sides*

The thing that men and women need to do is stick together
Progressions can't be made if we're separate forever

~Q-Tip

All we want in this life is peace, prosperity and a little paper...

~Q-Tip

I am recognizing that the voice inside my head is urging me to be myself, but never follow someone else because opinions are like voices, we all have a different kind.

~Q-Tip

We got to mediate our greedy levels, Cause the lust of currency can have us sleepin with the devil.

~Q-Tip

We got to stay awake for all these lizards and snakes; Some of them come as friends, some of them come as Jakes.

~Q-Tip

Satisfaction, I have the right tactics... And if you need em I got crazy prophylactics.

~Q-Tip

The world is kinda cold and the rhythm is my blanket Wrap yourself up in it, if you love it, then you'll thank it.

~Q-Tip

How far must you go to gain respect? Um... Well, it's kind of simple: just remain your own. Or you'll be crazy sad and alone.

~Q-Tip

Rock and roll to the beat of the funk fuzz Wipe your feet really good on the rhythm rug If you feel the urge to freak, do the jitterbug Come and

spread your arms if you really need a hug.

~Q-Tip

One thing the music industry has taught me is to manage my expectations.

~Q-Tip

Shorty, let me tell you about my only vice: It has to do with lots of lovin', and it ain't nuttin' nice.

~Q-Tip

I have a very connected history with Bilal. I heard his demo years ago. I heard all of the magic instantly. He's a master at interpretation of song.

~Q-Tip

And even though we both fly Give each other space and not the evil eye

~Q-Tip

I'll have you weak in the knees that you could hardly speak, Or we could do like Uncle L and swing an ep in my Jeep.

~Q-Tip

Ayo, shout out to Mobb Deep, the Extra P Busta Rhymes, De La, the J Beez, so don't sleep

~Q-Tip

Rap is not pop, if you call it that then stop...

~Q-Tip

You never know: rain, sleet, hail, snow, See you gotta accept that's how things go. Prepare for the rainy day, or the sun's glow, But there's clouds movin' in and the clouds gonna blow.

~Q-Tip

So concisely, musically we are the herb So sit back and light me.
Inhale... My style's kinda fat, reminiscent of a whale.

~Q-Tip

So pay attention, it's not hard to decipher, And after the horns, you can
check out the Phifer

~Q-Tip

In 1999, I just came out of putting out the song 'Vivrant Thing' and
'Breathe and Stop' off the 'Amplified' album. Clive Davis signed me to
Arista.

~Q-Tip

One step at a time, a man walked on the moon. One record got played,
Kool Herc said, 'Boom!'

~Q-Tip

I like music with soul and passion and the good of humanity. As long as
it has those things, I'm all the way in.

~Q-Tip

It's not just a struggle for blacks to be accepted by whites, but the other
way around as well. A lot of people don't see that.

~Q-Tip

To be honest I'm not going to sell dreams like everybody else does and
say, "Sure, it can be changed." I don't want to seem like a pessimist,
but nothing's getting better.

~Q-Tip

You can tell how good a filmmaker is if you can turn the sound down
but you can still feel the story.

~Q-Tip

Funky like your grandpa's drawers, don't test me We in like that, you're dead like Presley

~Q-Tip

When I watch films now, theres more of a musicality to the way the film are written.
