I always try to be different. I always want to surprise myself.

~Quentin Dupieux

I don't like to be on a set and wait three hours, just to make some lighting adjustments. I like to shoot. That's what I want to do. I'd rather shoot something dumb than wait.

~Quentin Dupieux

I'm just trying to find some secret places in the human brain because I think movies tend to be too rational sometimes. Everything is supposed to make sense. Everything is supposed to be logical.

~Quentin Dupieux

To me, the movie is more funny if, at the same time, you can think a little bit or dream a little bit.

~Quentin Dupieux

It [moviemaking] is like a dream. When you're dreaming, you make some very strange connections between some random stuff and random people.

~Quentin Dupieux

If you lost the love of your life, that's a nightmare.

~Quentin Dupieux

I'm a small filmmaker, making my small, low-budget movies, but I'm super lucky to know that everybody reacts differently to my movies. That's interesting.

~Quentin Dupieux

Yeah, the main goal when I'm writing [movie scripts] is to entertain myself. It's supposed to be funny, but then a funny idea can be turned into something else.

~Quentin Dupieux

I've been obsessed with making movies since I was 15. I watched a lot of movies when I was young, and I decided that I wanted to do that because I was a passionate kid about watching movies.
