So for those of you falling in love, Keep it kind, keep it good, keep it right. Throw yourself in the midst of danger, But keep one eye open at night.

~Rachael Yamagata

My own brain. When I get it out of the way, I'm fine.

~Rachael Yamagata

Love could solve everything.

~Rachael Yamagata

I once heard someone doing a karaoke version of my song. That was pretty funny.

~Rachael Yamagata

My breaking heart and I agree, that you and I could never be, so with my best...my very best, I set you free

~Rachael Yamagata

There's something about [pain] that excites me. If I'm feeling really awful about something, it's because I haven't experienced it before. There's something I need to learn from it.

~Rachael Yamagata

I'm a big believer that there's a reason for everything. I'm a hopeless optimist.

~Rachael Yamagata

Follow your instincts, and handle all with respect and diplomacy.

~Rachael Yamagata

Everyone is more than what you see on the cover; we all run deep and have our story.

~Rachael Yamagata

I wish you health, and more than wealth, I wish you love

~Rachael Yamagata

I used to find places in high school and college, empty rooms or spaces with pianos. Instead of going to a party, I'd play alone for hours. It became my buddy.

~Rachael Yamagata

Writing and performing are to me what water and movement are to sharks.

~Rachael Yamagata

Hopefully, my tears are worth something to the outside world.

~Rachael Yamagata

I treasure my mornings. I get up early and ignore everything work-related for the first few hours. It's just me and my coffee addiction.

~Rachael Yamagata

I immediately target sadness and conflict and disruption in life.

~Rachael Yamagata

What tries to break us is endlessly fascinating to me. Joy is a whole different game to express.

~Rachael Yamagata

I do have faith that something better is always coming for you.

~Rachael Yamagata

I'm addicted to the dynamics of relationships whether they be in love, work, between strangers on the streets, or in the world in general.

~Rachael Yamagata

People who know my music think I'm the most depressed girl on the planet.

~Rachael Yamagata

Flute was actually my first instrument. I had a year of lessons and then stopped after feeling like I was going to faint all of the time.

~Rachael Yamagata

I wrote my first song when I was twelve on the piano.

~Rachael Yamagata

Conflict is a great thing to start with. For me as a songwriter, I am constantly trying to solve problems.

~Rachael Yamagata

I can sit and dissect for hours, and then write 50 songs about. I always find that inspiring.

~Rachael Yamagata

I don't really usually write sort of a cheerleader-type lyric.
