*Fun, Men, Nice, Thinking, Want, Car, Real, My Favorite, Guy, Use,  
Comfortable, Needs, Kids, Play, Trying, Mind, Tennis, Relate, Ridiculous,  
Girlfriend*

You can tell a lot about a person from his underwear.

~Rachel Bilson

Leather accents on pieces make it fun and spices up an outfit.

~Rachel Bilson

I just really love being in my pajamas.

~Rachel Bilson

All of my friends, I consider childhood friends because we met when I was probably 13, and I'm still friends with them today. It's really nice that I have that core group.

~Rachel Bilson

I've been in so many love triangles on TV and in real life.

~Rachel Bilson

I know of my sex appeal. I know about sexuality, and I know how to use it - tastefully, of course.

~Rachel Bilson

I think beauty comes from within, and society paints a ridiculous picture.

~Rachel Bilson

I love corduroys , because they are really comfy and they're cozier than jeans. They come in nice autumn hues - colors that you can have fun with.

~Rachel Bilson

Awards are not the only markers of success; I don't judge myself just based on them. I believe that each cinema-goer has his own mental trophies.

~Rachel Bilson

My unusual beauty tip is that I often use Vaseline to take my make up off. It works great and is good for sensitive skin.

~Rachel Bilson

My guilty pleasure is Flamin' Hot Cheetos.

~Rachel Bilson

Hash browns are my favorite breakfast food.

~Rachel Bilson

A few years ago I was at a party and this guy threw me over his shoulder, ran across the street, put me in his car, and stuck his tongue in my mouth.

~Rachel Bilson

I love cooking and baking.

~Rachel Bilson

You've got to use your celebrity for good stuff, not evil. I think it's lame when people act as if they're better than everyone!

~Rachel Bilson

I don't mind being the center of attention as a character but in real life it's not for me.

~Rachel Bilson

That's a rule in the business. No tongue. You can't really get into it, otherwise, it's weird. I think that particular scene made his (Adam Brody) girlfriend jealous. There were issues.

~Rachel Bilson

I can hang out with all my boyfriend's friends. I know how to roll with the guys.

~Rachel Bilson

My favorite album ever is Jeff Buckley's GRACE. I feel a weird unexplainable connection to him.

~Rachel Bilson

Did you know that the institution of marriage was created when the average person lived to the age of 30?

~Rachel Bilson

I'm not into the gym. I prefer dancing or tennis.

~Rachel Bilson

When a guy can make fun of you, that's attractive. Who knew that teasing could have so much power over women!

~Rachel Bilson

I love shorts in the colder climates, because you can wear them with chunky sweaters and jackets. It's cute and funky.

~Rachel Bilson

I love romantic comedies, or romantic dramas - basically anything with love in it.

~Rachel Bilson

Movies can be sexy or sexual without showing things. It is almost a deal breaker.

~Rachel Bilson

I'm not sure if I want to continue to work when I have kids.

~Rachel Bilson

I'm into menswear slacks that are comfortable.

~Rachel Bilson

The more aware a man is of a woman's body, the better. He needs to

know he has to tend to a woman. She might not always return the favor, but a man always has to tend to a woman first.

~Rachel Bilson

My next adventure will be being in a car with Mischa at the wheel.

~Rachel Bilson

I know this sounds terribly shallow, but I've been mapping out my outfits for the next day every day since I was little, even before high school.

~Rachel Bilson

My daily beauty regimen consists of washing my face before bed and putting on moisturizer.

~Rachel Bilson

I'm attracted to mysterious men. Every woman can relate to that, right?

~Rachel Bilson

My quick beauty tip is always have a tinted gloss of some kind to give you some color even if you have no makeup on.

~Rachel Bilson

I like to be comfortable, and don't like to be cold, and I don't like to wear anything I'm not in the mood for.

~Rachel Bilson

Dating co-stars is natural. When you're working with someone, it's habit.

~Rachel Bilson

Having kids is something I want to see in my future - I hope.

~Rachel Bilson

I'm the fourth generation to be in show business. It's pretty neat; it's

nice to have that family history.

~Rachel Bilson

I don't do the super-clean-living L.A. thing.

~Rachel Bilson

All I can say is, I don't talk about the personal stuff. It's the one thing you can keep to yourself. At least you try to.

~Rachel Bilson

I know I look super young. I was flying back home into LAX the other day and the security guard at the airport stopped me and said, 'Honey, where's your family?' And I'm like, I'm 31!

~Rachel Bilson

I like a man who can build things. Whittle me something out of wood and I'm sold.

~Rachel Bilson

I like everything European. Even my GPS has a British accent - it's way less annoying than the American one.

~Rachel Bilson

I'm actually not on Twitter.

~Rachel Bilson

I've always loved fashion.

~Rachel Bilson

I definitely have family on the brain.

~Rachel Bilson

Especially working with Adam Brody, he's just so funny in every day life. Working with him is a lot of fun. We play pranks on each other.

~Rachel Bilson

It's important not to ditch your mates when you're in a relationship. Lots of girls do it, but you need to remember they will always be there for you.

~Rachel Bilson

Love shouldn't play by the rules. It's all about chemistry.

~Rachel Bilson

I've been in relationships where we've said 'I love you' after two weeks.

~Rachel Bilson

If you got to have a dream, you may as well dream big.

~Rachel Bilson

If you are not feeling good about yourself, then you work out. But you do it for you.

~Rachel Bilson

I secretly want to be a rapper.

~Rachel Bilson

I hate being too pretty.

~Rachel Bilson

I envy the sensibility in Europe, appreciating beauty in women as they age. I'm going to go that way. I might dye my gray hair for a bit, but beyond that the buck stops. I'm not having any work done.

~Rachel Bilson
