I started doing improv my sophomore year.

~Rachel Dratch

Actually, I didn't like Dartmouth very much, but the whole theater scene I really liked.

~Rachel Dratch

All I remember is the last time I played a videogame, it was Space Invaders.

~Rachel Dratch

I'm definitely not up-to-date on the high-tech videogame world.

~Rachel Dratch

I was sort of the class-clown type, and I was also in school plays, and I always liked comedy.

~Rachel Dratch

I have no wisdom to share on dating.

~Rachel Dratch

But I majored in Drama, modified with Psychology.

~Rachel Dratch

I hate trying to analyze comedy in some deep way. If it gets laughs, it's funny.

~Rachel Dratch

I remember watching Gilda Radner when I was a kid and everyone thought she was so funny and no one ever said that she was a funny woman, she was just funny.

~Rachel Dratch

I definitely don't want to do drama. I'm not looking to branch out into

that world.

~Rachel Dratch

I had always wanted to be on SNL, it's not always great, but it's this leftover childhood dream.

~Rachel Dratch

I also didn't consider myself a huge baby person.

~Rachel Dratch

I started doing improv in college, and I really liked it.

~Rachel Dratch

I never wanted to be that person who leaves 'SNL' and nothing happens.

~Rachel Dratch

I could see myself in some sort of pioneer bonnet, it's my childhood fantasy. But, I think I look too jewish for the prairie.

~Rachel Dratch

If you have an impulse, not if you're going to ruin someone else's scene, if you have an impulse of a funny little add-on or taking something in a weird direction, try it.

~Rachel Dratch

I did some acting in high school, I knew I really liked it.

~Rachel Dratch

When I was a kid, I was super shy.

~Rachel Dratch

Many comedians have a dark side that lets them take a negative thing and turn it funny.

~Rachel Dratch

If it gets laughs, it's funny.

~Rachel Dratch

I know a lot of girls in the comedy world who are kind of like me. I don't know where the slutty girls hang out, but it's not the comedy world as far as I know.

~Rachel Dratch

The people, they are the ones with the real answers.

~Rachel Dratch

I didn't consider myself a huge baby person. I'm not like, "Oh my god! I want to hold every baby!" And some women just have that engraved in their minds.

~Rachel Dratch

Since I was little, it was instilled in me to conserve water. In terms of what can you do as an individual, it's an easy issue to get behind.

~Rachel Dratch

I didn't originally intend on writing a book. I started writing during the day to feel like I was accomplishing something creative.

~Rachel Dratch

I don't really consider myself an impressionist.

~Rachel Dratch

In real life, I'm gorgeous, beautiful.

~Rachel Dratch

The first time we put Debbie Downer on the show, I had a giggle fit that I couldn't control, and the whole cast ended up breaking so hard we

could never quite recover.
