I mean normally you have your agent call the other agent and all the agents talk and then finally you get a phone call and you hear some misrepresentation of what someone else had to say.

~Radha Mitchell

We've become much more casual and much more relaxed in social interactions, where there was a formality and maybe a kind of respect at that time that doesn't exist now.

~Radha Mitchell

I don't smoke and I don't drink alcohol.

~Radha Mitchell

This city can be kind of brutal, so you see your dreams from every different angle, but ultimately it's about acting and if you enjoy acting, you will always enjoy acting.

~Radha Mitchell

I want to be a blonde vampire. Catherine Deneuve was a blonde vampire, and she was my favourite vampire ever.

~Radha Mitchell

To be honest, it's easier for me to speak with an American accent.

~Radha Mitchell

I had a friend, and we always used to pretend to be twins. We had this fantasy about going to Hollywood together. We were about four.

~Radha Mitchell

Yeah I think Pitch Black was edgy, I think that's what worked for our film.

~Radha Mitchell

I guess when I first started speaking with an American accent, there's a

tendency to create a caricature of the accent because you just exaggerate the pieces that stand out to you.

~Radha Mitchell

All that either of us has is right now and we should pay attention to that.

~Radha Mitchell

Well, obviously I was excited by the idea that Woody Allen was going to direct it. But at the same time, the script itself and the character was really interesting.

~Radha Mitchell

I think in this, definitely, because you are feeling how it felt to live in a completely different time. The mannerisms and the way that people behaved was quite different.

~Radha Mitchell

So wearing a corset certainly changes your state of mind.

~Radha Mitchell

I'd definitely rather be rich than famous.

~Radha Mitchell

Life is neither comedy or tragedy, life is what you make of it.

~Radha Mitchell

I never wanted to be a movie star.

~Radha Mitchell

After that, I was offered lots of lesbian roles, but I didn't want them because I'd already played the best there was.

~Radha Mitchell

But I'm also a vegetarian so there's another factor I guess.

~Radha Mitchell

I'm not working now, so I'm sort of facing the unknown.

~Radha Mitchell

New York in a way functions as another character within the story, as it does within most of Woody Allen's stories.

~Radha Mitchell

I do Yoga. I'd like to say I do it every morning, but I don't, I just don't have the time.

~Radha Mitchell

For me, even just being English was a whole sort of experience in as much as I'm Australian.

~Radha Mitchell

I didn't even understand the whole idea of Hollywood.
