I like so many different genres of music that I guess it would be hard for me to pick one person who inspires me when so many people inspire me to make good music.

~Rahki

Half of the reason why people aren't able to succeed in life is because they hypnotize themselves into believing that they can't accomplish their goals, it's a mind game they play with themselves.

~Rahki

It's a beautiful thing to build your own fan base and pay the bills knowing that you're staying true to your music at the end of the day. I look at life like this, the sky's the limit!

~Rahki

I think a lot of young people feel like they have no purpose, so I try to enlighten them with my life and show them you can do whatever you put your mind to.

~Rahki

I grew up listening to Commission, Kirk Franklin and Hezekiah Walker. If I was found listening to any rap, my pops would throw them out, or crush the CDs and tapes - literally.

~Rahki

I would describe myself as a hard worker, very humble and focused on whatever it is that I put my mind to.

~Rahki

My music should evoke a feeling; whether it's a feeling in your stomach, goosebumps, whatever. When you don't get a feeling then there's a problem.

~Rahki

I'm really just concentrating on making good music, whether it's using a sample or doing an original track.

~Rahki

The only reason I started using samples was because people talked about me not sounding like Kanye or The Heatmakers.

~Rahki

I just look up to anyone who made music back then because you really had to be a musician. There were no samples or drum machines. Those people back in the day paved the way for people like me.

~Rahki

As far as my inspirations, I just like anyone who is making good music - period.

~Rahki

I don't have to be as big as Dre, Kanye or Pharrell. Nobody even has to know my face. As long as I'm getting placements and I'm making good music and able to support myself - I'm good.

~Rahki

God is my spiritual guide. Half the music I come up with I really don't know where it comes from.

~Rahki

You can't have somebody guide you through everything - some things you have to learn on your own.

~Rahki

I have always been the type of person to want to reach a goal no matter how far-fetched it was.

~Rahki

I feel like my purpose on earth is to help other people and give good advice about some of the same things I have gone through.

~Rahki

I have no problem with thinking small. Sometimes you have to think small first in order to think big.

~Rahki

Albums aren't even selling anymore and there's a reason for that. Record companies are just signing single and ring tone deals and it doesn't seem like they're focusing on albums.

~Rahki

Everybody is looking for a hit single but what the artists really need is an executive producer to help put better albums out.

~Rahki

I want to sell tracks but at the same time I want to stay true to the music I like. This is why I love the underground scene because they can stay true to what they want to do.

~Rahki

When I'm in the studio I just try to zone out and not think of whatever is in the industry, if it sounds too much like someone else, I have a tendency to erase it.
