

Raj Patel Quotes

*People, Country, Thinking, Generosity, Mean, Real, Opposites, Long, Believe,
Environmental, Consumption, Enough, Conversation, Attention, Beautiful, Food,
Taken, Choices, Giving Up, Book*

Far from being a â€œluxury for the rich,â€• organic farming may turn out to be a necessity not just for the poor, but for everyone.

~Raj Patel

Food sovereignty... is most of all characterized by it's conversations around how to end hunger and poverty.

~Raj Patel

The opposite of consumption isn't thrift. It's generosity.

~Raj Patel

For every \$1 advertisers spend advertising something healthful like apples, they spend \$500 advertising junk food.

~Raj Patel

The opposite of consumption is not thrift - it is generosity.

~Raj Patel

The current food crisis is an opportunity for companies to engage in agriculture or biotechnology.

~Raj Patel
