

Randall Dale Adams

Quotes

*Ability, Firsts, War, Smart, Integrity, Ifs, Motivation, Want, Talent, Vacuums,
Data, Law, Someday, Weak, Blame, Lax, Trying, Management, Believe, Games*

Graffiti is a pathetic attempt at anonymous recognition.

~Randall Dale Adams

A kite can be flown in an absolute vacuum if it can be towed at the speed of light.

~Randall Dale Adams

Profanity is the result of a weak mind trying to express itself forcibly.

~Randall Dale Adams

Someday will never come and take you by the hand.

~Randall Dale Adams

I don't believe in luck. When I am diligent, my luck is generally good. When I am lax, my invariable turns bad.

~Randall Dale Adams

If you want it to happen, you must make it happen. If you let it happen, you won't like what happened.

~Randall Dale Adams

Do not be intimidated by a smart person. It is easier to debate a smart person than to argue with an idiot.

~Randall Dale Adams

There is the finest line between data and evidence.

~Randall Dale Adams

Do not fear lack of knowledge, talent or skill. Seek motivation and the others will come.

~Randall Dale Adams

If you simply cannot make the right decision, make a decision and then make it right.

~Randall Dale Adams

Your integrity is more precious than your life.

~Randall Dale Adams

You cannot win a game of tug-o-war by merely standing firm.

~Randall Dale Adams

Without a goal, you cannot survive.

~Randall Dale Adams

Management: First fix the blame. Then fix the problem.

~Randall Dale Adams

Loneliness cannot be shared.

~Randall Dale Adams

Adams first law of survival: Get even first.

~Randall Dale Adams
