Track, Strong, Common Sense*

The Pledge of Allegiance reflects the truth that faith in God has played a significant role in America since the days of the founding of our country.

~Randy Neugebauer

When regulations on the housing industry are reasonable, the cost of housing goes down. Regulatory relief is needed to make housing more affordable to more Americans.

~Randy Neugebauer

Forty-five States, as the gentleman just said, have determined by people that were elected by the people of that State that marriage is the definition of one man and one woman.

~Randy Neugebauer

The weekend brought good news for our friends in the cattle industry. At long last, Japan has taken the steps needed for American beef to make its way back into the Japanese market.

~Randy Neugebauer

Small businesses are the number one job creators in America. Therefore, it is important that the federal government creates an environment that helps them succeed, not one that sets them up to fail.

~Randy Neugebauer

President Bush has a track record of making the right decisions when it comes to national security.

~Randy Neugebauer

Thousands of years and many civilizations have defined a marriage as the union between one man and one woman. With few exceptions, those civilizations that did not follow that path perished.

~Randy Neugebauer

However, as our brave men and women continue to return from the battlefields of the War on Terror, Congress must respond by enacting policies that meet the evolving needs of the veterans community.

~Randy Neugebauer

Mr. Speaker, I rise today in support of the definition of a marriage as between one man and one woman.

~Randy Neugebauer

We can fight the War on Terrorism in other places around the world or we can fight it here in America. The right choice is to fight those terrorists where they are.

~Randy Neugebauer
