

Ray Comfort Quotes

*Atheist, Believe, Men, Christian, Law, Thinking, Hate, Jesus, Way, Giving,
Unique, Wrath, Reality, Moving, Cancer, Song, Ideas, Important, Sides, Prayer*

This life is the only hell believers will ever know. But for those who die in their sins, this is their only heaven.

~Ray Comfort

If you are not concerned about your neighbor's salvation, then I am concerned for yours.

~Ray Comfort

The Bible diagnoses the cancer of all cancers and prescribes the cure of all cures.

~Ray Comfort

Atheists who keep asking for evidence of God's existence are like a fish in the ocean wanting evidence of water.

~Ray Comfort

I do admit to mocking atheists, because mockery is a legitimate form of debate according to my rule Book. God Himself mocks evil men who refuse His moral government (see Proverbs 1:26-27).

~Ray Comfort

You Can Lead an Atheist to Evidence, but You Can't Make Him Think.

~Ray Comfort

The friendly preacher who fails to warn of the reality of Hell, betrays the Son of God with a kiss.

~Ray Comfort

Comparing Jesus with history's greatest of human leaders is like comparing the sun to a flashlight with no batteries.

~Ray Comfort

Preachers who talk about everything but the reality of Hell, are likeable betrayers of the Gospel.

~Ray Comfort

Rhetoric, which is the use of language to inform or persuade, is very important in shaping public opinion. We are very easily fooled by language and how it is used by others.

~Ray Comfort

It is embarrassingly unscientific to speak of anything creating itself from nothing.

~Ray Comfort

The biblical way to express God's love to a sinner is to show him how great his sin is (using the Law—see Romans 7:13; Galatians 3:24), and then give him the incredible grace of God in Christ.

~Ray Comfort

Never let the defeat of the past rob you of the success of your future.

~Ray Comfort

God's standard of judgment goes down to the intents of the heart.

~Ray Comfort

Christianity doesn't offer a smooth flight; it provides a safe landing. The promise of Jesus is not one of happiness, He promises righteousness.

~Ray Comfort

If we knew we were to die at twelve o'clock tomorrow night, would we have to step up our evangelistic program, or could we in all good conscience carry on just as we are?

~Ray Comfort

When men don't fear god, they give themselves to evil

~Ray Comfort

Any good that comes our way doesn't come to us solely because we have done something good, but because God is good.

~Ray Comfort

Either there is a God or there isn't. Both possibilities are frightening.

~Ray Comfort

George Harrison was known as the quiet Beatle. Quiet people are often quiet because they are deep thinkers.

~Ray Comfort

If I want to understand the laws of physics I have to first believe what I read about physics. I have to have faith in what I read.

~Ray Comfort

Darwinian evolution is unscientific, unobservable, unbelievable, but understandable in a world that hates God.

~Ray Comfort

Imagine how wicked society would be if the fear of God and the fear of civil law were both completely removed.

~Ray Comfort

A blind, anemic, weak-kneed flea on crutches would have a greater chance of defeating a herd of a thousand wild stampeding elephants, than the enemy has of defeating God.

~Ray Comfort

Atheism is spreading like wildfire.

~Ray Comfort

Christians must share their faith in obedience to the Great Commission, because we are only seeing the fruit of sin this side of death.

~Ray Comfort

Atheistic evolution isn't an intelligent belief, as atheists would have the black community believe.

~Ray Comfort

Man is unique in that, unlike animals, he knows he is going to die, and unlike animals he can do something about it.

~Ray Comfort

It is true that you can't prove a negative. However, the existence of God is provable in the same way a building is positive proof that there was a builder.

~Ray Comfort

I am surprised that anyone can profess to be an atheist.

~Ray Comfort

I think the key to passion, to zeal, is gratitude. Or to put it another way, the fuel to motivate is gratitude.

~Ray Comfort

Evolution is the fundamental idea in all of life science - in all of biology.

~Ray Comfort

How much do I have to hate homosexuals to lie to them about what the Bible says?

~Ray Comfort

Put legs to your prayers

~Ray Comfort

I don't blame Bill Maher for mocking religion. I can see why he took the trouble to make the movie. In one sense, it's overdue.

~Ray Comfort

Most atheists bristle at the thought that atheism has anything to do with faith, but not Penn Jillette.

~Ray Comfort

It takes both courage and talent to stand up in front of fellow human beings and make them crack a smile, and at the same time keep it clean.

~Ray Comfort

John Lennon was a musical genius. All I have to do is think of some of his songs and even the titles make me feel good... and I'm not the only one. His music has crossed cultures and even generations.

~Ray Comfort
