When a silhouette or shape is as beautiful as it is functional and relevant, that's true luxury.

~Reed Krakoff

Great fashion is all about surprise. It should always be about doing something that isn't by the book.

~Reed Krakoff

I feel lucky to love what I do. It doesn't feel like working. I do all the projects I do because I like doing them, whether it's a book or a photo shoot. For me, my work and my life are the same.

~Reed Krakoff

I don't want to have a singular vision. I don't have that kind of discipline. I love the randomness of my life - how I have five, six, seven projects going on at one time.

~Reed Krakoff

Having your own store is one of the most immediate ways to connect with the customer, to really get to know her and develop a more intimate relationship.

~Reed Krakoff

If clothes can help you see yourself on your best day, why shouldn't every day be that day?

~Reed Krakoff

One can never have too many books.

~Reed Krakoff

The collection under my name is an exciting opportunity to really express my own aesthetic and connect with a very different consumer.
