Honduras has one of the highest murder rates in the world. The drug trade is responsible for much of that.

~Renee Montagne

Marine and Army women have deployed with infantry units in Iraq and Afghanistan in what's called female engagement teams, going into villages, talking with women and sometimes coming under fire.

~Renee Montagne

Donald Trump is great at the one-liners, but he's a chaos candidate and he'd be a chaos president. He would not be the commander in chief we need to keep our country safe.

~Renee Montagne

I think I should be on the main stage. I don't think I'm an undercard candidate. I think the others should drop out.

~Renee Montagne

I've been doing politics 30 years. I've never seen an election like this [in 2016]. This is entirely unpredictable.

~Renee Montagne

There's a better chance of a brokered convention than any time in our lifetime.

~Renee Montagne

The Republican candidates clashed on terrorism, immigration and foreign policy in their fifth debate. They all said President [Barack] Obama and Hillary Clinton have not kept America safe.

~Renee Montagne

Nevada appeared to be a firewall for Hillary Clinton.

~Renee Montagne

We're really talking about the Army and Marine Corps here for almost all these ground combat jobs. They want to move in a careful, deliberate manner.

~Renee Montagne

Bill Cosby is one of America's most successful black performers.

~Renee Montagne

It's been a long while since we've had a major celebrity criminal case.
