Just remember that a pat on the back is only 18 inches from a kick in the behind.

~Rex W. Tillerson

I feel it's important that in advising the president, if confirmed, that I deal with facts, that I deal with sufficient information. Which means having access to all information.

~Rex W. Tillerson

People who speak up for freedom in regimes that are oppressive are often a threat.

~Rex W. Tillerson

We've seen what violent regime change looks like in Libya and the kind of chaos that can be unleashed. And, indeed, the kind of misery that it enacts on its own people.

~Rex W. Tillerson

We are making tremendous progress that ISIS really does present to the homeland and to other homelands of allies around the world.

~Rex W. Tillerson

I think the relationship between the USA and Russia is too important. And it's too important to not find a way to move forward.

~Rex W. Tillerson

Our priority in Syria, really hasn't changed. I think the President Donald Trump has been quite clear. First and foremost, we must defeat ISIS.

~Rex W. Tillerson

I think the Russians have played now for some time the role of providing cover for Bashar al-Assad's behavior. The alternative explanation that the Russians put forth is simply not plausible.

~Rex W. Tillerson

I've made my own comments as to our values as well in a speech I gave to the State Department.

~Rex W. Tillerson

I don't believe anyone doubts the American people's values or the commitment of the American government or the government's agencies to advancing those values and defending those values.

~Rex W. Tillerson

The increase in the greenhouse gas concentrations in the atmosphere are having an effect. Our ability to predict that effect is very limited.

~Rex W. Tillerson

People who speak up for freedom in regimes that are repressive are often at threat.

~Rex W. Tillerson

I would want to be fully informed before advising the president.
